Issue: # 5

November/2010

Greetings...!!!

Dear Chapter Members:

On behalf of the Region team and myself, I would like to congratulate the Metro New York and the Northern New Jersey Chapters for the well deserved awards.

Wishing you and your loved ones a Wonderful Thanksgiving.

Way to go Northeast Chapters...!!!

Overview:

The Metropolitan New York City Chapter adopted the task-force model established by ARMA International to create a valuable and timely based project approach. This chapter task-force explored strategies to diversify the membership and increase meeting attendance. Based on feedback from surveying and reaching out to other organizations, the chapter decided to offer both lunch and evening meetings. The first year saw 6 meetings offered both at noon and in the evening. With a no-cost meeting venue provided by one of the members, they were able to keep costs low and expand their reach to those members who typically couldn't attend the evening programs.

Upcoming Events - November 23, 2010

NE Region Education Task Force Status by: Anita Castora, CRM

ARMA Intl. was very happy with the NE Region Educational survey results this past spring. The survey results were presented to the leaders at the ARMA Intl. Leadership Meeting in San Francisco.

Thank you to everyone who has contributed to this Task Force. Once we complete sending ARMA Intl. the Best Practices and modifications for the Chapter Director of Education role, the task force will be disbanded. ARMA Intl. Higher Education Task Force will continue and utilize the information that we have gathered. Here is a status of where we are:

- ARMA Intl to provide space on ARMA Intranet for Chapter

leaders to utilize Best Practices and will add to the Chapter Operations e-Handbook. *Send me any other best practices you may have to anita.c@aefcu.com by January 4.

- We asked them if they could associate an "Internship Program" with the ARMA Job Bank. They said it was not part of their current contract but would see what is available. They suggested that it should be treated like any other job opening and would be subject to fees.
- More promotion from ARMA Intl of Educational Directors at Chapter level. We, as a Task Force, can with more information and tool to promote and encourage education within their Chapters. *Send me any suggestions on revising the Director of Education role for Chapters by January 4 to anita.c@aefcu.com
- Listing of all schools that offer RIM programs from undergraduates to online programs. The ARMA Intl. Higher Education Task Force is working on this.
- Utilize AIEF to manage the educational scholarship funds. The AIEF will be glad to manage monies for scholarship for chapters.

Sincerely,

Steve Lastres
